### **Education**

2020-2022

Commercials

Visitation Makumbi High School

2023-2026

BSC in CSE

NUST University

### **certification**

2020

Java Developer

I'm excited to share that I was awarded a Java Backend Developer certificate by Tech Innovators Academy! This achievement marks an important step in my journey, and I'm eager to keep applying my skills to build efficient, scalable solutions.

### **Experience**

2023

Ravid Software LTD.

Full stack Developer

Developed a full-stack web application that streamlined task management for teams, utilizing Java for the backend and React for the frontend. The project is live and being used by multiple small businesses to enhance productivity.

2023

OK Software LTD.

Developer

Built a scalable e-commerce platform with a secure payment system, using Node.js and MongoDB for the backend. The platform is fully operational and currently hosts over 1,000 products with seamless user experiences

### **Awards**

2019

Pandas Pvt limited

I'm thrilled to share that I was awarded Best Student at the Panda Hackathon! As an experienced backend developer, this recognition means a lot after overcoming tough challenges. Grateful for the opportunity to showcase my skills and collaborate with great people. Excited to keep growing and delivering impactful solutions!
